Hi Rob and NNO Team,

I started the attached Thank You list and noted who did what and contact information if I had it. Everyone should please look and add to it, as I'm sure there are some missing and I don't have everyone's contact information.

And here are possible dates/times I have for a wrap up meeting:

- 8/18 @ 9am
- 8/19 from 11am to noon
- 8/25 9am until noon

- 8/26 10:30 am until noon

Hope one of these will work for everyone, and happy to have the meeting here in Brookfield's office.

Just circling back re: National Night Out

As we wrap up this year's National Night Out wanted to do a couple of things:

1. Should we schedule a short debrief meeting to capture lessons learned and hopes for next year?
2. Make sure we thank everyone that contributed.
3. Keep track and share that contact information with others as appropriate.
4. If a contact is special and should only be contacted by a particular person let's note that but still share basic info.
5. Pacific Boosters is a 501c3 so can provide tax deduction letters to all donors. Diane Barretti (sbpress7@aol.com) is copied and I believe Warren is now attending Pacific Boosters meetings.
6. There are several annual LAPD events that can use support besides National Night Out.
 - a. National Night – August
 - b. Station Open House/Pancake Breakfast – Sept/Oct?
 - c. Chris Williams memorial Thanksgiving Officer Appreciation Dinner (feed 150+ officers and civilians) – wed before Thanksgiving. (local citizens and restaurants, businesses donate goods and food)
 - d. Santa Sleigh Stops – Community Outreach – early/mid Dec
 - e. Winter Wonderland Toy Give Away – Mid Dec – large event attracts several
 - f. Pacific Boosters Golf Tournament (cancelled this past yr.) – helps fund Pacific Cadets – youth development program and station "beautification" fund.
 - g. Maybe other standing events that should be on this list too...
7. I've asked the organizers of the Thanksgiving Appreciation Dinner to begin to maintain a comprehensive contact sheet so LAPD and affiliates know who's been asked and contributed so we don't step on each other's toes and can be strategic about how we use and ask for community support.
8. Make 2017 National Night Out the standard bearer for future NNO's as it moves around to different communities with in Pacific.
9. Listed below is a contact for potential support that I wasn't able to follow up with this year so bring him and his company to our attention for future use.

Subject: Contact From Venice Expo --- Ready To Support CPAB, Boosters,

Hi Rob....

I just saw the nice email you sent out with all the current news and happenings.

Thought I'd get back to you about the Venice Chamber Expo. Got some little bits and bites but one that I wanted to let you know about now.

Carl Lambert is the President of the Venice Chamber. His business is Lambert Investments and one of his properties is Venice Breeze Suites. His table was next to mine and he said he was open to help in any way he could. He knew Capt Johnson pretty well and is happy to be available for us. I gave him your flyer and pointed out your name for him to call regarding National Night Out. His info is 310-663-6030 and carl@lambertinc.com.

You might try him for sponsoring the dog walking? You have a direct line to Carl as I learned that night that George is Vice President of the Venice Chamber. Slowly I learn who everyone is.

See you next week .. is it the 15th?

Hi Captain Alberca: I would like to introduce you to Alok Chanani, owner of Wild Poke, a new business on Ocean Front Walk. I had the pleasure of meeting Alok last week, and sampling one of his amazing poke bowls, when he joined the Chamber.

Last night, at the beginning of the meeting, former VNC president Mike Newhouse made a motion to refer the VSA Resolution to reinstate the city's "No lying, sitting or sleeping on a sidewalk" ordinance to the VNC's Homeless Committee.

The vote to send it to committee was 9 to 4 in favor, this instead of hearing the matter last night.

When questioned about this move by Daryl DuFay, Mr. Koslow said that it had to go to committee because I had introduced a slight word change to the Resolution upon the advice of legal counsel. Apparently the process for the City Attorney to abandon the Jones Settlement is simpler than I had thought so I wanted the Resolution to reflect this.

Mr. Koslow made the observation that possibly that word change would have led many of the signers of the Resolution to withhold their signature. Huh? It seems to me that Mr. Koslow, as he has done several times before, was just reaching for any reason to justify delaying Board consideration of the Resolution.

It is mystifying that so many of the Board members that we worked so hard to elect would go along with Mr. Koslow's delaying tactic. Apparently few of them are awakened at 2 am in the morning by partying or screaming transients, or regularly have to clean up human waste from their property, or fear to let their children walk to the local dime store due to unwelcome attention from drugged-out campers.

I do not yet have the date at which this matter will come up on the Homeless Committee agenda.

My apologies to those who showed up to speak in support of the Resolution only to find that it had been removed from the agenda. I thought to alert you to the change but do not have the email listserve for this issue stored on my cell phone.

Thank you again for your support,

Mark

Just circling back re: National Night Out

As we wrap up this year's National Night Out wanted to do a couple of things:

1. Should we schedule a short debrief meeting to capture lessons learned and hopes for next year?
2. Make sure we thank everyone that contributed.
3. Keep track and share that contact information with others as appropriate.
4. If a contact is special and should only be contacted by a particular person let's note that but still share basic info.

5. Pacific Boosters is a 501c3 so can provide tax deduction letters to all donors. Diane Barrett (sbpress7@aol.com<mailto:sbpress7@aol.com>) is copied and I believe Warren is now attending Pacific Boosters meetings.
6. There are several annual LAPD events that can use support besides National Night Out.
- a. National Night - August
 - b. Station Open House/Pancake Breakfast - Sept/Oct?
 - c. Chris Williams memorial Thanksgiving Officer Appreciation Dinner (feed 150+ officers and civilians) - wed before Thanksgiving. (local citizens and restaurants, businesses donate goods and food)
 - d. Santa Sleigh Stops - Community Outreach - early/mid Dec
 - e. Winter Wonderland Toy Give Away - Mid Dec - large event attracts several
 - f. Pacific Boosters Golf Tournament (cancelled this past yr.) - helps fund Pacific Cadets - youth development program and station "beautification" fund.
 - g. Maybe other standing events that should be on this list too...
7. I've asked the organizers of the Thanksgiving Appreciation Dinner to begin to maintain a comprehensive contact sheet so LAPD and affiliates know who's been asked and contributed so we don't step on each other's toes and can be strategic about how we use and ask for community support.
8. Make 2017 National Night Out the standard bearer for future NNO's as it moves around to different communities with in Pacific.
9. Listed below is a contact for potential support that I wasn't able to follow up with this year so bring him and his company to our attention for future use.

Hi Rob....

I just saw the nice email you sent out with all the current news and happenings.

Thought I'd get back to you about the Venice Chamber Expo. Got some little bits and bites but one that I wanted to let you know about now.

Carl Lambert is the President of the Venice Chamber. His business is Lambert Investments and one of his properties is Venice Breeze Suites. His table was next to mine and he said he was open to help in any way he could. He knew Capt Johnson pretty well and is happy to be available for us. I gave him your flyer and pointed out your name for him to call regarding National Night Out. His info is 310-663-6030 and carl@lambertinc.com<<mailto:carl@lambertinc.com>>.

You might try him for sponsoring the dog walking? You have a direct line to Carl as I learned that night that George is Vice President of the Venice Chamber. Slowly I learn who everyone is.

See you next week .. is it the 15th?

Just circling back re: National Night Out

As we wrap up this year's National Night Out wanted to do a couple of things:

1. Should we schedule a short debrief meeting to capture lessons learned and hopes for next year?
2. Make sure we thank everyone that contributed.
3. Keep track and share that contact information with others as appropriate.
4. If a contact is special and should only be contacted by a particular person let's note that but still share basic info.
5. Pacific Boosters is a 501c3 so can provide tax deduction letters to all donors. Diane Barretti (sbpress7@aol.com) is copied and I believe Warren is now attending Pacific Boosters meetings.
6. There are several annual LAPD events that can use support besides National Night Out.
 - a. National Night – August
 - b. Station Open House/Pancake Breakfast – Sept/Oct?
 - c. Chris Williams memorial Thanksgiving Officer Appreciation Dinner (feed 150+ officers and civilians) – wed before Thanksgiving. (local citizens and restaurants, businesses donate goods and food)
 - d. Santa Sleigh Stops – Community Outreach – early/mid Dec
 - e. Winter Wonderland Toy Give Away – Mid Dec – large event attracts several
 - f. Pacific Boosters Golf Tournament (cancelled this past yr.) – helps fund Pacific Cadets – youth development program and station "beautification" fund.
 - g. Maybe other standing events that should be on this list too...
7. I've asked the organizers of the Thanksgiving Appreciation Dinner to begin to maintain a comprehensive contact sheet so LAPD and affiliates know who's been asked and contributed so we don't step on each other's toes and can be strategic about how we use and ask for community support.
8. Make 2017 National Night Out the standard bearer for future NNO's as it moves around to different communities with in Pacific.
9. Listed below is a contact for potential support that I wasn't able to follow up with this year so bring him and his company to our attention for future use.

Hi Rob....

I just saw the nice email you sent out with all the current news and happenings.

Thought I'd get back to you about the Venice Chamber Expo. Got some little bits and bites but one that I wanted to let you know about now.

Carl Lambert is the President of the Venice Chamber. His business is Lambert Investments and one of his properties is Venice Breeze Suites. His table was next to mine and he said he was open to help in any way he could. He knew Capt Johnson pretty well and is happy to be available for us. I gave him your flyer and pointed out your name for him to call regarding National Night Out. His info is 310-663-6030 and carl@lambertinc.com.

You might try him for sponsoring the dog walking? You have a direct line to Carl as I learned that night that George is Vice President of the Venice Chamber. Slowly I learn who everyone is.

See you next week .. is it the 15th?

Just circling back re: National Night Out

As we wrap up this year's National Night Out wanted to do a couple of things:

1. Should we schedule a short debrief meeting to capture lessons learned and hopes for next year?
2. Make sure we thank everyone that contributed.
3. Keep track and share that contact information with others as appropriate.
4. If a contact is special and should only be contacted by a particular person let's note that but still share basic info.
5. Pacific Boosters is a 501c3 so can provide tax deduction letters to all donors. Diane Barretti (sbpress7@aol.com<mailto:sbpress7@aol.com>) is copied and I believe Warren is now attending Pacific Boosters meetings.
6. There are several annual LAPD events that can use support besides National Night Out.
 - a. National Night - August
 - b. Station Open House/Pancake Breakfast - Sept/Oct?
 - c. Chris Williams memorial Thanksgiving Officer Appreciation Dinner (feed 150+ officers and civilians) - wed before Thanksgiving. (local citizens and restaurants, businesses donate goods and food)
 - d. Santa Sleigh Stops - Community Outreach - early/mid Dec
 - e. Winter Wonderland Toy Give Away - Mid Dec - large event attracts several
 - f. Pacific Boosters Golf Tournament (cancelled this past yr.) - helps fund Pacific Cadets - youth development program and station "beautification" fund.
 - g. Maybe other standing events that should be on this list too...

7. I've asked the organizers of the Thanksgiving Appreciation Dinner to begin to maintain a comprehensive contact sheet so LAPD and affiliates know who's been asked and contributed so we don't step on each other's toes and can be strategic about how we use and ask for community support.
8. Make 2017 National Night Out the standard bearer for future NNO's as it moves around to different communities with in Pacific.
9. Listed below is a contact for potential support that I wasn't able to follow up with this year so bring him and his company to our attention for future use.

Hi Rob....

I just saw the nice email you sent out with all the current news and happenings.

Thought I'd get back to you about the Venice Chamber Expo. Got some little bits and bites but one that I wanted to let you know about now.

Carl Lambert is the President of the Venice Chamber. His business is Lambert Investments and one of his properties is Venice Breeze Suites. His table was next to mine and he said he was open to help in any way he could. He knew Capt

Johnson pretty well and is happy to be available for us. I gave him your flyer and pointed out your name for him to call regarding National Night Out. His info is 310-663-6030 and carl@lambertinc.com<<mailto:carl@lambertinc.com>>.

You might try him for sponsoring the dog walking? You have a direct line to Carl as I learned that night that George is Vice President of the Venice Chamber. Slowly I learn who everyone is.

See you next week .. is it the 15th?

Capt, Claudia -

Although this is short notice, I thought you should be aware that Mr. Ryavec has once again introduced a motion (this time via petition) demanding that the Jones settlement be vacated. Belatedly he presented this report on the creation of permanent supportive housing. http://clkrep.lacity.org/online/docs/2014/14-0655-S2_misc_12-2-2015.pdf

We are, as an executive board, mulling our options about what is within our purview to do. Obviously, there is overwhelming community support to "reinstate 4118" and we have not heard from the city attorney at this point. Whether one or both of you decides to attend tomorrow night's meeting to address this issue, please be aware and advise Kristan or Peggy if they will be in attendance, that it is the hot topic, yet again.

Thanks

Just circling back re: National Night Out

As we wrap up this year's National Night Out wanted to do a couple of things:

1. Should we schedule a short debrief meeting to capture lessons learned and hopes for next year?
2. Make sure we thank everyone that contributed.
3. Keep track and share that contact information with others as appropriate.
4. If a contact is special and should only be contacted by a particular person let's note that but still share basic info.
5. Pacific Boosters is a 501c3 so can provide tax deduction letters to all donors. Diane Barretti (sbpress7@aol.com) is copied and I believe Warren is now attending Pacific Boosters meetings.
6. There are several annual LAPD events that can use support besides National Night Out.
 - a. National Night – August
 - b. Station Open House/Pancake Breakfast – Sept/Oct?
 - c. Chris Williams memorial Thanksgiving Officer Appreciation Dinner (feed 150+ officers and civilians) – wed before Thanksgiving. (local citizens and restaurants, businesses donate goods and food)
 - d. Santa Sleigh Stops – Community Outreach – early/mid Dec
 - e. Winter Wonderland Toy Give Away – Mid Dec – large event attracts several
 - f. Pacific Boosters Golf Tournament (cancelled this past yr.) – helps fund Pacific Cadets – youth development program and station "beautification" fund.
 - g. Maybe other standing events that should be on this list too...
7. I've asked the organizers of the Thanksgiving Appreciation Dinner to begin to maintain a comprehensive contact sheet so LAPD and affiliates know who's been asked and contributed so we don't step on each other's toes and can be strategic about how we use and ask for community support.
8. Make 2017 National Night Out the standard bearer for future NNO's as it moves around to different communities with in Pacific.
9. Listed below is a contact for potential support that I wasn't able to follow up with this year so bring him and his company to our attention for future use.

I started the attached Thank You list and noted who did what and contact information if I had it. Everyone should please look and add to it, as I'm sure there are some missing and I don't have everyone's contact information.

And here are possible dates/times I have for a wrap up meeting:

Hope one of these will work for everyone, and happy to have the meeting here in Brookfield's office.

Just circling back re: National Night Out

As we wrap up this year's National Night Out wanted to do a couple of things:

1. Should we schedule a short debrief meeting to capture lessons learned and hopes for next year?
2. Make sure we thank everyone that contributed.
3. Keep track and share that contact information with others as appropriate.
4. If a contact is special and should only be contacted by a particular person let's note that but still share basic info.
5. Pacific Boosters is a 501c3 so can provide tax deduction letters to all donors. Diane Barretti (sbpress7@aol.com) is copied and I believe Warren is now attending Pacific Boosters meetings.
6. There are several annual LAPD events that can use support besides National Night Out.
 - a. National Night – August
 - b. Station Open House/Pancake Breakfast – Sept/Oct?
 - c. Chris Williams memorial Thanksgiving Officer Appreciation Dinner (feed 150+ officers and civilians) – wed before Thanksgiving. (local citizens and restaurants, businesses donate goods and food)
 - d. Santa Sleigh Stops – Community Outreach – early/mid Dec
 - e. Winter Wonderland Toy Give Away – Mid Dec – large event attracts several
 - f. Pacific Boosters Golf Tournament (cancelled this past yr.) – helps fund Pacific Cadets – youth development program and station "beautification" fund.
 - g. Maybe other standing events that should be on this list too...
7. I've asked the organizers of the Thanksgiving Appreciation Dinner to begin to maintain a comprehensive contact sheet so LAPD and affiliates know who's been asked and contributed so we don't step on each other's toes and can be strategic about how we use and ask for community support.
8. Make 2017 National Night Out the standard bearer for future NNO's as it moves around to different communities with in Pacific.
9. Listed below is a contact for potential support that I wasn't able to follow up with this year so bring him and his company to our attention for future use.

Carl Lambert is the President of the Venice Chamber. His business is Lambert Investments and one of his properties is Venice Breeze Suites. His table was next to mine and he said he was open to help in any way he could. He knew Capt Johnson pretty well and is happy to be available for us. I gave him your flyer and pointed out your name for him to call regarding National Night Out. His info is 310-663-6030 and carl@lambertinc.com.

You might try him for sponsoring the dog walking? You have a direct line to Carl as I learned that night that George is Vice President of the Venice Chamber. Slowly I learn who everyone is.

Hi Rob and NNO Team,

I started the attached Thank You list and noted who did what and contact information if I had it. Everyone should please look and add to it, as I'm sure there are some missing and I don't have everyone's contact information.

And here are possible dates/times I have for a wrap up meeting:

- 8/18 @ 9am
- 8/19 from 11am to noon
- 8/25 9am until noon
- 8/26 10:30 am until noon

Hope one of these will work for everyone, and happy to have the meeting here in Brookfield's office.

Best,

I've got meetings starting at 11 through about 3 on the 16th, another day would be preferable if possible.

Just circling back re: National Night Out

As we wrap up this year's National Night Out wanted to do a couple of things:

1. Should we schedule a short debrief meeting to capture lessons learned and hopes for next year?
2. Make sure we thank everyone that contributed.
3. Keep track and share that contact information with others as appropriate.
4. If a contact is special and should only be contacted by a particular person let's note that but still share basic info.
5. Pacific Boosters is a 501c3 so can provide tax deduction letters to all donors. Diane Barretti (sbpress7@aol.com) is copied and I believe Warren is now attending Pacific Boosters meetings.
6. There are several annual LAPD events that can use support besides National Night Out.
 - a. National Night – August
 - b. Station Open House/Pancake Breakfast – Sept/Oct?
 - c. Chris Williams memorial Thanksgiving Officer Appreciation Dinner (feed 150+ officers and civilians) – wed before Thanksgiving. (local citizens and restaurants, businesses donate goods and food)
 - d. Santa Sleigh Stops – Community Outreach – early/mid Dec
 - e. Winter Wonderland Toy Give Away – Mid Dec – large event attracts several
 - f. Pacific Boosters Golf Tournament (cancelled this past yr.) – helps fund Pacific Cadets – youth development program and station "beautification" fund.
 - g. Maybe other standing events that should be on this list too...
7. I've asked the organizers of the Thanksgiving Appreciation Dinner to begin to maintain a comprehensive contact sheet so LAPD and affiliates know who's been asked and contributed so we don't step on each other's toes and can be strategic about how we use and ask for community support.
8. Make 2017 National Night Out the standard bearer for future NNO's as it moves around to different communities with in Pacific.
9. Listed below is a contact for potential support that I wasn't able to follow up with this year so bring him and his company to our attention for future use.

Hi Rob....

I just saw the nice email you sent out with all the current news and happenings.

Thought I'd get back to you about the Venice Chamber Expo. Got some little bits and bites but one that I wanted to let you know about now.

Carl Lambert is the President of the Venice Chamber. His business is Lambert Investments and one of his properties is Venice Breeze Suites. His table was next to mine and he said he was open to help in any way he could. He knew Capt Johnson pretty well and is happy to be available for us. I gave him your flyer and pointed out your name for him to call regarding National Night Out. His info is 310-663-6030 and carl@lambertinc.com.

You might try him for sponsoring the dog walking? You have a direct line to Carl as I learned that night that George is Vice President of the Venice Chamber. Slowly I learn who everyone is.

See you next week .. is it the 15th?
